Dear Cadet Stephenson:

We hope that our shipment of your embroidered patches-- Cadet Squadron #14-- "Cobra"-- has reached you in good order by now. It went out October 29th, 1968, via Insured Parcel Post No. 21782. If you found any imperfectly embroidered patches therein, please return them to us at your earliest convenience, and we will mend them if possible, or credit your account, making proper refund if that is involved.

We would appreciate any new opportunity to serve your Squadron or other Cadet Squadrons at the AF Academy, and will appreciate your mentioning our firm name & address to any organizations-- including clubs of any type, military or civilian-- which you believe might be interested in distinctive embroidered emblems.

We can quote prices promptly after seeing any photo, drawing or sample, showing desired size, pattern & colors. Approximate quantity of patches required is the other main cost-determining factor.

We enclose our invoice, which shows your advance partial payment.

Sincerely yours,

NORD COMPANY
