Request for Approval of Organization Emblem

HQ USAF (AFPMP-12-C)
Wash 25 DC

1. Reference Hq USAF (AFPMP-12) 1st Indorsement to our basic communication, subject "Organizational Emblems," dated 27 Sep 61, and in accordance with Air Force Regulation 900-3, request is submitted for approval of an emblem for the Sixteenth Cadet Squadron, Air Force Cadet Wing, U. S. Air Force Academy.

2. Description:

a. The members of 16th squadron--the new class of '65, and the upperclassmen from old 11th squadron--feel strongly that the eagle represents the pride and determination by which we shall make a name and tradition for ourselves.

b. The golden lightning streak and number with the blue shield represent the squadron colors. The blue background and the silver eagle are the colors of the Cadet Wing.

3. While Air Force Regulation 900-3 clearly states in paragraph 4h(2)(f) that no numerals will appear in the emblem, exception is requested in this case. There is no tactical significance to the numbering of the cadet squadrons, and these squadrons are unique in that there will be no redesignation of numbered squadrons regardless of any possible future expansion of the Academy.

4. Approval of this request will result in increased motivation and morale and enhance the prestige of cadets of the Air Force Cadet Wing.
