

Ltr Hq USAF Academy, 10 Jul 62, Rsq for Approval of Orgl Emblem

1st Ind (AFFMP-12-C)

Hq USAF, Wash 25, D C

TO: USAFA (CWOC)

1. Certain modifications are suggested to the emblem proposed for the 24th Squadron, Air Force Cadet Wing, for a stronger design.

2. Because the word "SQUADRON" seems unnecessary and because we feel that it detracts from the emblem design, we suggest that it be omitted, and that the lightning streak be given a more forceful, dynamic form. Our suggested modification has been attached as an overlay to your proposed design and is submitted for consideration.

3. If the modification is accepted, we request that the overlay (Attachment 2) be returned with reply. Final action will be taken upon receipt of your decision.
