THE GIRLS OF SMU
 (Tune: Home on the Range)

Oh, give me a school where the chicks are
 all cool,
 And they're lovely and rich every one.
 Take girls in vast lots, plus the Dallas night
 spots,
 And it adds up to four years of fun.

Chorus: Drink, drink to the girls,
 To the girls of our dear SMU.
 If our sweethearts should leave,
 that's no reason to grieve.
 For we still have a dozen or two.

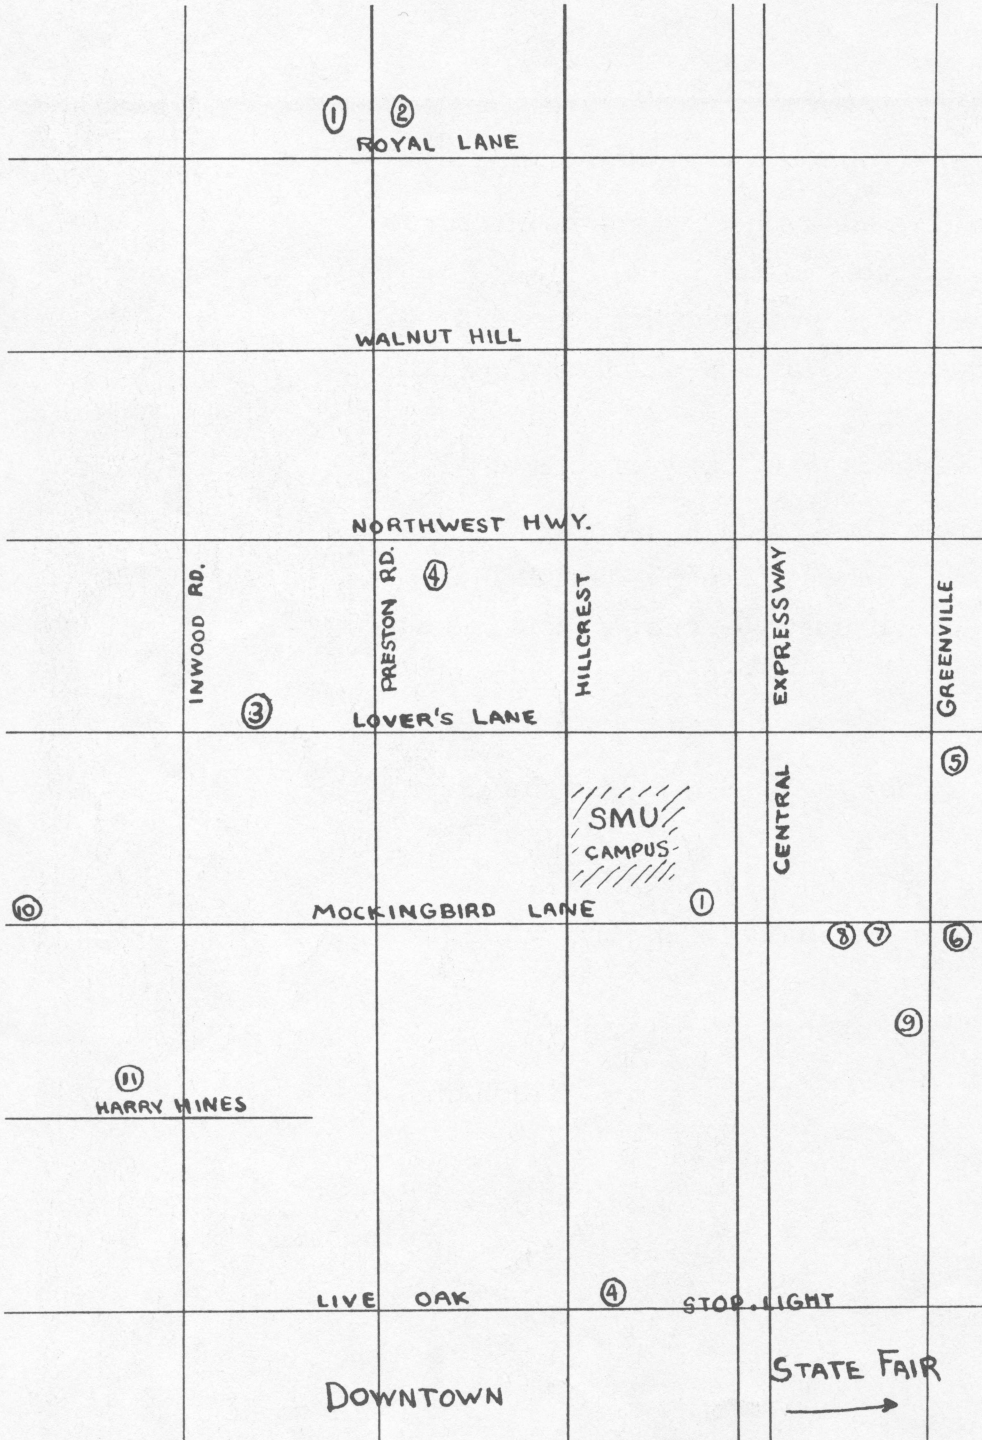

From the wretchedest pub to the Colony
 Club,
 You can hit all the spots in Big D.
 Take a girl and a flask, and what more
 could you ask?
 Just keep north of the old Trinity.

Chorus: **BACCHANAL**

Where to Go

What to Do

1) SALLY B'S SWEET SHOP is an excellent choice for a post game snack.

2) THE SAFARI, located in Preston Royal, is a top Dallas steakhouse. Prices...\$8-12/couple.

3) For the finest in barbeque, THE RIB merits your presence

4) The world-renowned CATTLEMAN'S STEAK HOUSE provides both excellent steaks and atmosphere at each of its two locations. \$10-15 dollar price range per couple.

5) LOUANNE'S swings... a moderately expensive club which features a rocking evening's entertainment, plus food and beverage if desired.

6) Another choice for a quick snack is KIP'S.

7) For dancing to good Dixieland and "inserted extras" at reasonable prices, try LEVY'S.

8) THE EGYPTIAN LOUNGE, a favorite among the students for pizza, has a bar coupled with an excellent dining room.

9) A favorite SMU steakhouse is KIRBY'S. The reason...a bar, moderate prices, and a real fine atmosphere.

10) Located in the Love Field Terminal is the LAUA, a moderately priced restaurant.

11) Good food and the best in atmosphere combine in making LA TUNISIA an ever popular stop.

Thanks to Mr. Benny Whisenant (SMU) for his contributions to "What & Where."

SIX FLAGS OVER TEXAS is a Disneyland-type amusement center commemorating the six nations that history has seen ruling over Texas. Its facilities are designed to mirror this theme. It is located on the turnpike halfway between Dallas and Ft. Worth. Six Flags will provide a wonderful evening for less than \$5 for those who visit it.

Entertainment prior to Friday night's dance at SMU will feature Miss Joan Baez, nineteen year old artist in the area of lyric Anglo-American songs and ballads.

TEXAS STATE FAIR. "America's Greatest Fair" the State Fair will open on Saturday, 6 Oct. and this year will be presented as a spectacular "Exposition of Nations" featuring exhibits from many foreign nations. Among the many outstanding attractions this year are several free exhibits such as an experimental Space Kitchen, the 46th Annual Southwestern Auto Show, "This Atomic World" prepared at the Oak Ridge Institute of Nuclear Studies, "Playtime USA" featuring exhibits for the sportsman, an antique auto show, museums of art and natural history and of course many displays of the agriculture and livestock of Texas.

The Broadway hit "Carnival" will be presented daily at the fair with the original cast. Tickets range from \$1.50 to \$5.00. The always spectacular Ice Capades will be presented daily with admissions ranging from \$2.25 to \$3.75. The "Parade of Nations" based on the theme of the fair and the Mobil Sky Revue featuring high wire acrobats will also be seen daily. Admission to the fairground is one dollar.

Always a favorite among our age group is the mammoth automobile show staged at the fair. In this same light is the antique auto show, which features exhibits dating back into the era of the horseless carriage.

THE Dodo SPORTS SCOPE

<u>THIS WEEK IN SPORTS</u>	<u>RECORD</u>
(Football)	
AFA 6-Penn State 20	1-1-0
(Soccer)	
AFA 4-Colo. Mines 0	2-0-0
(Cross Country)	
AFA 23-Nebr. State 34	2-0-0
AFA 21-Okla. State 40	

THE WEEK AHEAD

FB) at SMU
 S) CSU (here)
 CC) at West Point.

 The Falcon Soccer team coasted to a 4 - 0 win in their first league game with Colorado Mines in a Shrine benefit played in Pueblo. Led by Hank Hoffman's three goals and Jim Renschen's penalty kick, our soccer players attributed the win to team play and superior conditioning, two points very much stressed by coach, Capt. Bob Strickland. Mines' weak offense enabled Coach Strickland to empty the bench, providing experience which will be essential against some of the stronger teams in the Rocky Mountain area.

 Paced by team captain Tom "Cookie" Cardoza's 22 min. 28.3 sec first place, the Academy Cross Country Team opened its season with a continuation of its traditional winning ways. Coach Arne Arnesen's team took a 23-34 victory from Kearny State and added a 21-40 victory over Oklahoma State to its records. The impressive all around team showing indicates another strong year for the Falcon thinclads who will meet some of their strongest competition this week against West Point.

 Since the summary of the Penn State game is somewhat repetitive we will not attempt to credit each of the outstanding jobs done by our gridgers last Saturday. Here instead is a much deserved thanks from the cadet wing to those who reestablished our declining grid fortunes to a height of which we can all be proud, a height at which they are certain to remain throughout many future seasons.

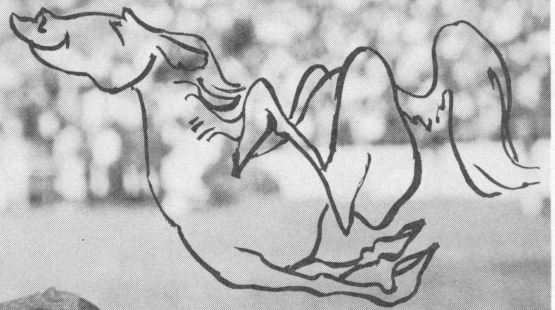

READY ... TWO !!

GO
FALCONS

BEAT
MUSTANGS

To us, Texas' big "T" will forever kindle fond memories ... warm hospitality, smiling faces, new friendships, pretty girls, and "just a whole lot of fun." And each year Dallas and OPERATION BIG D will stand as a golden highlight. Our thanks to our Texas FRIENDS.....

To the Texans listed below goes the credit for a major portion of the success of "OPERATION BIG D." And to them especially we of the Air Force Cadet Wing forward a simple, yet very sincere, vote

of thanks.....
MR. HERB NICHOLS

MR. TROY POST

MR. LEE DRAIN

MAJ. GEN. RJ SMITH

MRS. FELIX MARTIN

MRS. ST HARRIS

MRS. W SHADRECK

MRS. EARL TRAGER

MRS. VERA MARTIN

Certainly our gratitude needs to be directed toward others ... toward each family that has opened the doors of their home to us. We wish that it were possible to recognize each individually,

but we are left with only the alternative of saying to all -

THANKS.

David Samuel
