A CADET PUBLICATION FOR CADETS

All across the nation campuses are revolting, and none more revolting than our own USAFA. Hence, the Spring Riot Issue! I'm just sitting here listening to my new album, "Mickey Mantle's Greatest Hits"; (Retch)! I'm worrying about whether or not my roommate and I are really married, since we've lived conspicuously together for two years in a Common Law State.

Remember that last DoDo? Remember how that last page was completely blank? It was censored out! Everybody be sure and go around to Rick Grandjean's room and see what you missed!

This year's DoDo was the best in USAFA history. This is due to Rick and his staff; Steve, Ken, Dave and H. Their ingenuity and audacity brought unprecedented notice to DoDo. They're leaving soon. We readers are not the only one's that are sorry to see them graduate.

The cost of living has risen so much that some people must put their daughter to work just to keep in Scotch...

IN RETROSPECT

JUST WHAT DOES A GRAD REMEMBER AFTER HE'S SHRUGGED OFF THE SECURITY OF THE NATION'S ONLY 3,200-MAN PADDED CELL AND FORGED AHEAD INTO THE WAITING JAWS OF WHAT IS KNOWN TO THOSE HERE ONLY AS (SHUDDER) "THE OUTSIDE WORLD"?

1. WELL, FIRST THERE'S BCT; A YOUNG MAN'S FIRST CHANCE TO PROVE HIMSELF, WHILE BEING LED BY THOSE HALF-MEN, HALF-DEITIES, THE FIRSTIES. HERE HE GETS HIS FIRST GLIMPSE OF TRUE LEADERSHIP.

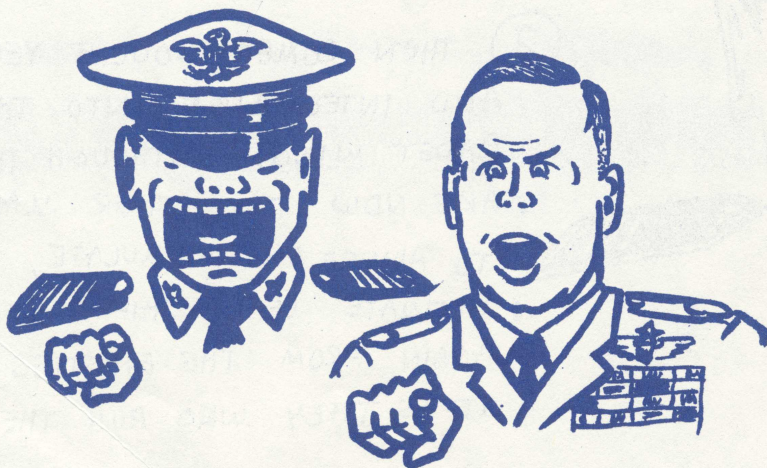

2. THEN COMES DOOLIE YEAR, AND INTEGRATION INTO THE CADET WING. ALTHOUGH THERE ARE NOW TWO OTHER CLASSES TO ADMIRE AND TO EMULATE, THE ULTIMATE LEADERSHIP COMES AGAIN FROM THE FIRSTIES, AS IT IS THEY WHO RUN THE WING.

3. WITH THE COMING OF RECOGNITION, OUR MAN LEAVES THE TOILS AND TRIALS OF THE FOURTH CLASS SYSTEM BEHIND, AND ENTERS THE REALM OF THE UPPERCLASS —AND THE THIRD CLASS SYSTEM! NOW HE

4. ANOTHER YEAR PASSES, AND OUR MAN FINALLY GETS A CHANCE TO TRY OUT HIS LEGS AND REALLY ~~LEAD~~ LEAD.* AS A JUNIOR, HE RECEIVES SUCH MAJOR ENTRUSTMENTS OF RESPONSIBILITY AS ELEMENT SARGEANT, SNCOD PHTBCLH, AND EVEN LATE LIGHTS! (IF HE ASKS NICELY) AND STILL THERE IS THAT EVER-PRESENT BOOST THAT COMES WITH THE GUIDANCE AND BEST WISHES OF HIS SUPERIORS.

CAN SHOW JUST WHAT HE'S LEARNED, AND IN SO MANY WAYS—SERVING AS CCQ, OR AS CARS REP, OR ELEMENT DO-NOTHING. AND STILL THERE'S THE BENEFIT OF ALL OF THAT GOOD LEADERSHIP FROM ABOVE.

*maybe it is crude, but it gets the idea across, doesn't it?

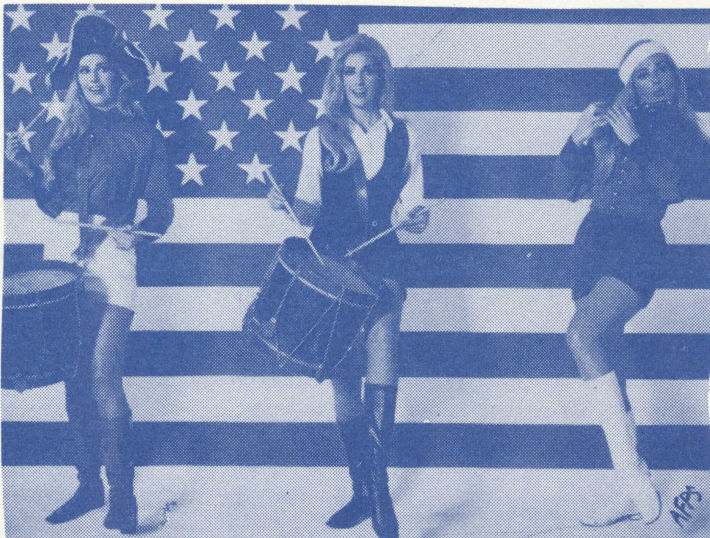

5. Well —

THE PASSING OF ANOTHER YEAR FINDS SAID MAN AS ONE OF THAT SAME BREED OF CAT HE ONCE WORSHIPPED AND IDOLIZED: A FIRSTCLASSMAN! THIS IS HIS YEAR — HE RUNS THE SHOW (WITH A LITTLE HELP FROM HIS FRIENDS, OF COURSE). BY THE TIME HIS GRADUATION ROLLS AROUND, THE WORDS, "GENTLEMEN, YOU ARE DISTRESSED," MEAN MORE THAN HE COULD HAVE EVER IMAGINED.

So Finally —

OUR GRAD'S MIND RETURNS TO THE PRESENT, AND HE PONDER'S THE GOOD LIFE WHICH HE NOW LEADS. HE FINDS HIS FRIENDS AND CO-WORKERS PLEASANT TO LIVE AND WORK WITH, AND WHEN HIS CUP RUNNETH OVER WITH PRESS-ONS, RIPPED KNICKERS, KOODOOS AND HOOHAAS, HE CAN RETIRE TO THE WARMTH AND WELCOME OF HIS HOME.

ALL-STARS

Strike up the band! It's that time again when the DoDo recognizes those about to be dismissed, that the "Other" Award Ceremony might miss...

"H" OWNBY

Often bitter enough to put Mitch's coffee to shame, "H" is our lead hitter. His record in review reads like a wanted Poster.

- | | |
|--------------------------|---------|
| Total Restrictions | 2 years |
| Total Tours and Cons | Unknown |
| Semesters on: | |
| 1) Comm's Control Roster | 7 |
| 2) Academic Probation | 6 |

Some of his more sparkling exploits are as follows: Led first and only (to date) protest march on the Establishment, prior to Navy Game last year; Held first Beer Pep Rally on terrace for Wing before Army Game '67; Chased OIC on a Fork Lift; and wrote Dodo SMUT.

Questions about West Point trip to steal Mule and "friend" in room for a week, will be answered maybe, after 4 June. Which goes to show, "You win a few, you lose a few, BUT, You Always Suit Up For the Game!"

"RASSLIN' JACK" THRASHER

Here's the man that Also deserves the Commendation Medal! His heroic effort at saving a waiter from an epileptic fit is made even more praiseworthy by the fact that he resisted the urge to say "Sorry, you are not my waiter!" Only on R-Flight once, he got a CDB when a barber turned him in for his lack of haircut. A renowned Academy wrestler, he is a charter member of the "Glory Stompers". Excused thru Graduation for a swollen head, he is growing Giant Corn just outside his window. Jack plans to use his cornstalk to climb out of the Air Force and into the Army after Grad.

He contracted Mononucleosis and Trench mouth at the same time. Which goes to show you, "Your blind date may have more than blindness!"

HUD BAER'S GONNA GRADUATE?!!?

(Yes. And get commissioned!)Ed.

"HUD" BAER

As the Wing Trivia Representative from Philly, Hud can take any song you name and come back with the groups that did it and usually, the record label! Such a burden this put on his mental storage space, he became the '69 class leader in R-Flight time. His inability to decide on T.H.E. Woman resulted in his being pinned to seven(?) different girls while at USAFA! Even though he worked on "taloon" Cadet magazine(?), we proudly salute Hud as a DoDo Allstar, in spite of bad brainwaves...

KEN STEVENSON

Ken is an All-Star in every sense of the word. His "war" record will serve as a worthy goal to all who follow him to the hallowed halls of the zoo. Our star has been on Ac Pro 6 out of 8 semesters. He once leaped from a .86 to a 2.45 GPA just in time to keep him on the team.

In the last innings of his last season he made the play which, we feel makes him an All-Star. A T.V. was missing from a Hotel. Ken slept there. The manager called the OIC who called the AOC who called the CCQ. Ken didn't take the T.V.(or even an ashtray) but he was caught flat out OTF! Fortunately, his AOC went to bat for him and he got off with only 60 tours, 3mon restric, 15 cons and busted to fastback 1⁰.

Ken's word to the wise" When the going gets tough,... with friends like that, who needs enemies?"

The father, passing through C-Springs late one evening on a business trip, decided to pay his son a surprise visit. Arriving in front of his son's room, dad rapped loudly on the door. After several minutes, a sleepy voice called out, "Whaddaya want?" "Does Ramsey Durcan live here?" asked the father. "Yeah," replied the voice. "Just dump him out there in the hall."

"How did you puncture your tire?"
"I ran over a milk bottle."
"Didn't you see it?"
"Naw, the Kid had it under his raincoat."

BUT, I DID THE JUNE WEEK
WEDDINGS LAST YEAR....

PHYSICS IS WHAT?

Six cadets came weaving out of the Kachina and started to crowd into a Volkswagen for the trip back to USAFA. One of them took charge. "Herbie," he said, "You drive. You're too drunk to sing."
The shiny new Vette roared up to the curb where the sweet young stood waiting for a taxi.
"Hi," said the Firstie at the wheel. "I'm going south."
"How wonderful," came the cool reply. "Bring me back an orange."
AOC's

"Harry, you never used to smoke in bed before we were married."

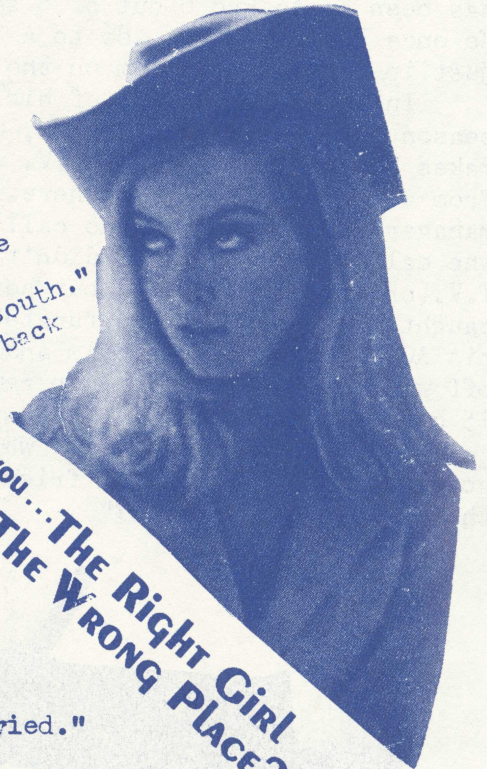

The hippie wanted something for his arthritis, so he walked into a drugstore and asked the druggist for a suggestion.
"Pen Gay?" asked the clerk.
"No, but we're keeping an eye on Charlie."

"I enjoy jokes in the DODO when they're not over my head."
"I feel the same way about pigeons."

MECH ONE-UPS MT!

The Mech dept. recently went one up on MT in their competition to buck up the Wing. Seems one AOC hopeful, while monitoring tours from his window, decided that tour formations were too casual (good heavens!). Result: Terazzo tours en masse and another ace for the Comms branch of the Dean's shop.

NEW SUC. FLT. POSITION OFFERED

Informed sources revealed that suc. flt. will soon add another position to its detail--Senior Window Monitor of the Day. The SWMOD will nab all those

nasty cadets who throw everything from flying orifices to rooms out of their windows.

Every member of '70 will be a BCT expert, including T-41, summer research and civilians.

Sledge recently aced 13th on an AMI by writing up a dude for Room Unprepared. Someone got aced--the guy left at Christmas.

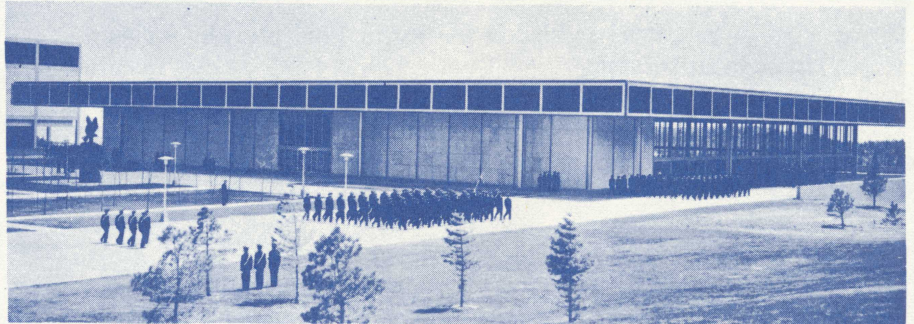

All sunbathing will be done in the UOD--its OK to play football, etc but don't lay down in the quadrangle.

All contributions to the Green Onion's gold prop and wing collection should be sent to 4th Gp.

Squadron Bitterness Reps are solicited to apply to McB, 25th.

THE Dodo Dirty Deal OF THE Day

By unanimous decision, the heinous helix hangs in the ear of a local friend of the wing and the Pueblo Chamber of Commerce. Yep--you guessed it. Mitch's! No other culinary institution has come up with such delights, that even bring tears to the eyes of some members of the wing--approximately three times daily. Who can think about CDH without thinking of such creations as Grungeroni, Sliced Italian Oatmeal Roll, Vulcanized Griddle Cakes, Strawberry Mung, or Heartburn (on req)? ALSO--consider how Mitch's takes our public image into account. All year long they scrimp and save so as to be able to serve extra-good meals during June Week. Of course this means they have to serve each cadet at least 147,385 calories a day in order to bring the average intake up to the advertised 5500 per day. But if anyone can handle it we know they can. Right guys? After all, doesn't rumor have it that they developed the never-fail formula for determining meal counts:

$$\text{No. tables} = \frac{(\text{meal count})(\text{no. waiters present})}{(\text{no. waiters})(\text{Dow-Jones average})}$$

Yesiree! It's hats off to our favorite greasy-spoon-on-campus. They deserve everything they get!

"That's amazing! How did you know I went to school there?"

"I saw your class ring when you picked your nose ."

"Say when, darling," he said as he poured a glass of beer.
"Okay," she replied, "right after the next drink."

"Is this the Salvation Army?"
"Yes."
"Do you save bad women?"
"Yes."
"Well, save a couple for me for next Saturday night."

An old gentleman riding on the upper deck of a London bus noticed that every few minutes the conductor would come from the back and dangle a piece of string down before the driver underneath. Whereupon the driver would burst into bitter tears. Finally the old gentleman could stand it no more, so he asked the conductor why the driver wept at so minor an annoyance.

"Oh," the conductor answered, "his father is being hanged tomorrow and I'm just kidding him a bit."

Said one: "Her neck's dirty."
Said the other: "Her does?"

"Don't you go out with Carol anymore?"
"No. I couldn't stand her vulgar laughter."
"I never noticed that."
"You weren't there when I proposed."
