After each number read On-the-spot Remarks!

Dear Mr. Cadet Sir Schlep,
I really don't know how to begin¹. I suppose you will thank me for being so honest later in life², though you may hate me now. I think it best that we don't see each other any more³. We are both mature people, so please don't be angry⁴. I suppose you would like a reason why this abrupt change in my feelings⁵, especially since we went steady for 8 years⁶. Well, Schlep, your best friend⁷, Rock, has been hanging around quite a lot, and well, we got married⁸ last month. I suppose it was best that we did, because, like I said, he hung around a lot⁹. Anyway, I hope you become a success and all is well!¹⁰
