GENERAL INFORMATION

Due to the high altitude of the Academy (7,250'), many people arriving here from lower altitudes experience difficulty in walking moderate distances and in climbing the many hills which grace our campus. Our buildings are multi-story structures with many flights of stairs. The June Week schedule is a very fast, active and exciting one. These factors, combined with an attempt to keep up with your cadet caught up in the excitement of his own graduation, can cause discomfort if you do not allow yourself enough time to rest each day.

Traffic: 7,000 parents, guests and visitors are expected to attend June Week activities this year. With these large numbers you can anticipate heavy traffic and parking and seating problems at many functions. Please allow yourself sufficient time to travel from your lodging to the Academy each day to preclude last minute rushing.

Climate: It is suggested that parents and guests have sunglasses, raincoats and/or umbrellas available for all scheduled outside events, and that all ladies planning to wear an afternoon dress have a light wrap available if cool, windy weather is forecast. Normally, Colorado has delightful weather during the month of June - sunny, warm days and cool evenings. We are hoping for the best weather ever during graduation week.

June Week will commence on Friday, 30 May 1975, and will end with the graduation ceremony on Wednesday morning, 4 June 1975.

The following information is given to you as a guide to facilities during your visit to the Air Force Academy, June Week 1975.

ARNOLD HALL

Arnold Hall is the Cadet Social Center and the meeting place for all cadets and their guests. Cadet Duty Officers will be on duty at the Command Post desk during the hours that Arnold Hall is open (7:30 AM to 1:00 AM). Information on scheduled events or locating cadets can be obtained at this desk. The telephone numbers are: 472-4790 and 472-4701. The following is a list of cadet squadron telephone numbers to assist you in locating your son upon arrival. A Cadet-In-Charge of Quarters will normally answer your call and either bring your son to the phone or take a message for him.

TRANSPORTATION

Taxi service from downtown Colorado Springs to Arnold Hall is approximately \$11.00 each way. If a rental car is desired, it should be arranged individually in advance, as rentals may not be available upon arrival.
