Your name has been recorded as an official candidate for appointment to the United States Air Force Academy under the category indicated below. You have been assigned the candidate number indicated and must include it in all future correspondence.

The attached "Instructions to Candidates" booklet should be read thoroughly and followed explicitly. To insure full consideration of your candidacy absolute compliance with these instructions is mandatory.

This letter will serve as authorization to take those tests shown under remarks at the Air Force Academy and Aircrew Examining Center indicated below and must be presented for identification upon arrival. If you have completed an Air Force Academy Qualifying Medical Examination since 1 July refer to that section of the instruction booklet concerning medical and physical aptitude examinations.

Please accept my best wishes for your success as an Academy candidate.
