7 May 1971

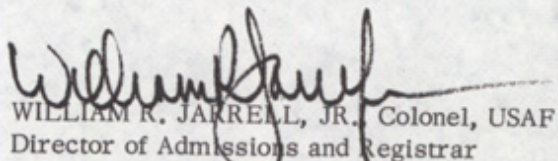

SUBJECT: Invitation to Travel

TO:

1. The Secretary of the Air Force invites you to proceed from the address indicated above to the United States Air Force Academy, Colorado, so as to arrive not earlier than 7:00 AM and not later than 12:00 PM, 5 July 1971, for the purpose of acceptance of appointment as a cadet of the United States Air Force Academy, Class of 1975.
2. Allowance for travel within the continental limits of the United States: Authority is granted for the performance of the above travel by rail, bus, commercial aircraft, or by other means of conveyance at your disposal. If you reside near a military installation you may report to the Base Transportation Officer and request issuance of a Government Transportation Request for mode of travel desired. If you do not use a Government Transportation Request, you will be reimbursed at the rate of six cents per mile for travel actually performed by you in reporting to the USAF Academy.
3. Travel outside the continental limits of the United States: You will be paid six cents per mile for land travel outside the continental limits of the United States. For travel performed by commercial ship or air you will be paid for the actual cost, provided Government transportation is not available. You should contact the Commanding Officer at the port of embarkation from which Government water or air transportation is available or contact the United States Air, Naval, or Military Attache of the country in which you are located for information regarding Government transportation to the United States. If Government transportation is not available, you should obtain a certificate to that effect from the authorities mentioned above to support your claim for reimbursement for the cost of commercial travel. Keep a receipt for the cost of commercial transportation of sea or air travel. This must be submitted with your claim for reimbursement; that claim will be paid late in July.
4. Personnel who travel to the USAF Academy under this order but refuse to accept an appointment as a cadet will not be entitled to any travel allowances whatsoever.
5. Travel allowances will be credited to your account after you are admitted as a cadet unless you specifically request, at the time you enter the USAF Academy (5 July), that this money be sent to your parents or guardian.
6. Travel is authorized in accordance with Chapter 5, JTR, and is necessary in the public service.
