

Bring Me Men

Author Unknown

(With apologies to Sam Walter Foss)

Bring me men to touch my monkeys
Bring me men to shave my balls
Men to feed me mashed potatoes
Men with buffers to wax these halls.

Bring me men to polish drain pipes
Bring me men to shine my shoes
Men with ears bound up from frostbite
Weeping tears and singing blues.

Bring me men to eat my hamsters
Bring me men to pour my juice
Men with porn hid 'neath the mattress
Sporting wood as hard as spruce.

Bring me men as strong as carnies
Bring me men with iron balls
Men to drink 3-2 at Arnie's
Vomiting long and deep in stalls.

Bring me men with courage stalwart
Bring me men with joy expressed
Men with gig-lines strait and even
Men with shoes shined and edge-dressed.
